

LANCOM Firewall Extension Modules

Versatile port extension for your firewalls

With these extension modules, you can easily and flexibly add additional ports to your LANCOM R&S®Unified Firewalls. Whether for fast fiber-optic networking or as a copper-bound Ethernet port: With the LANCOM Firewall Extension Modules, you can individually adapt your firewalls to your network requirements. In combination with suitable LANCOM SFP modules, you also benefit from the best connections and maximum reliability thanks to tested compatibility.

- › LANCOM Firewall Extension Module 8x 1G GE
- › LANCOM Firewall Extension Module 2x 10G GE
- › LANCOM Firewall Extension Module 4x 1G SFP
- › LANCOM Firewall Extension Module 2x 10G SFP+
- › LANCOM Firewall Extension Module 4x 10G SFP+

LANCOM Firewall Extension Modules

LANCOM Firewall Extension Module 8x 1G GE

- Extension module with 8x 1 Gbps RJ45 Ethernet ports
- Operating temperature 0 °C – 40 °C
- Humidity 5 % – 90 %
- Compatible with LANCOM R&S® Unified Firewall UF-500, UF-900/910

LANCOM Firewall Extension Module 2x 10G GE

- Extension module with 2x 10 Gbps RJ45 Ethernet ports
- Operating temperature 0 °C – 40 °C
- Humidity 5 % – 90 %
- Compatible with LANCOM®R&S Unified Firewall UF-500, UF-900/910

LANCOM Firewall Extension Modules

LANCOM Firewall Extension Module 4x 1G SFP

- Extension module with 4x 1 Gbps SFP ports
- Operating temperature 0 °C – 40 °C
- Humidity 5 % – 90 %
- Compatible with LANCOM R&S® Unified Firewall UF-500, UF-900/910
- Compatible with LANCOM SFP-LX-LC1, SFP-SX-LC1, SFP-LX-LC10, SFP-SX-LC10, SFP-DAC10

LANCOM Firewall Extension Module 2x 10G SFP+

- Extension module with 2x 10 Gbps SFP+ ports
- Operating temperature 0 °C – 40 °C
- Humidity 5 % – 90 %
- Compatible with LANCOM R&S® Unified Firewall UF-500, UF-900/910
- Compatible with LANCOM SFP-LX-LC1, SFP-SX-LC1, SFP-LX-LC10, SFP-SX-LC10, SFP-DAC10

LANCOM Firewall Extension Modules

LANCOM Firewall Extension Module 4x 10G SFP+

- Extension module with 4x 10 Gbps SFP+ ports
- Operating temperature 0 °C – 40 °C
- Humidity 5 % – 90 %
- Compatible with LANCOM R85® Unified Firewall UF-500, UF-900/910
- Compatible with LANCOM SFP-LX-LC1, SFP-SX-LC1, SFP-LX-LC10, SFP-SX-LC10, SFP-DAC10
