Performance

Gear4 created, ultra-slim, ultra-stylish, ultra-protective cases that deliver the reassurance consumers want in a case. Using real phones, Gear4 cases are put through rigorous independent testing to military standards. All cases undergo Quality Control testing which includes, bend, rub, abrasion, color transfer and fit testing so you can be confident that our products are built to the highest standards to really take an impact.

Guarantee

At Gear4, we believe in our products which is why we offer a Limited Lifetime Warranty on all Gear4 cases that covers materials and workmanship. Our friendly customer support team is ready to help you find solutions to all your questions.

Proven to Protect

Nothing protects your phone better than D3O. D3O material offers the thinnest and most advanced protection against knocks and drops. But that's not all—it's also in helmets, gloves and other protective gear used around the world by soldiers, professional athletes, industrial workers and motorcyclists. So if they trust D3O, you can too.
